# FROM THE PASTOR

## The journey from Lent to Easter...

The time between Ash Wednesday and Easter morning coincides with the coming of Spring, longer days and hopefully warmer weather. (Unless we get an April blizzard!) This is the season of Lent. The word "Lent" came from the word "lengthen" referring to the increased sunlight for the Spring season, but it has come to mean more for us. In the church, we mark these days of Lent, the forty days between Ash Wednesday and Easter morning (not counting Sundays since every Sunday is considered as little Easter), as a time for discipleship. We hold onto this tradition as a time for Spiritual growth.

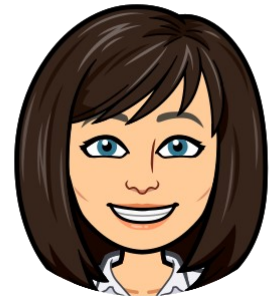

Some people choose a "Lenten Discipline" for the season. Lenten disciplines can range from food oriented disciplines such as not eating desserts or abstaining from alcohol or fasting for a part of the day. (Check with your doctor if you want to try fasting -- unless of course you are simply cutting out snacks. I call that fasting from one meal to another.) Other people try adding a Spiritual discipline such as joining the prayer chain, reading a daily devotional, trying a new type of prayer or spiritual journaling). I've tried a number of things. Some of them were helpful - some not. The time I tried to give up cheese was disastrous! This year I'm going to try a new prayer journaling discipline. If any of you are interested in that - or in a Contemplative prayer time in the morning before the workday, please let me know.

Lent can be a time to try something new. Six weeks is enough time to try something without feeling like you are committed to it forever. It's a good time to experiment. We are trying something new with our Soup Supper and Midweek Worship service. Vicar Becca and I and three of the Wildfire clergy will be leading a series of Bible stories during "Dinner Church" - which is basically a combination of our soup supper and Lenten Worship service. We hope to make worship more accessible to those who have a hard time sitting in the pew and to build community. We hope you will come - and invite others.

In Lent we are reminded of Christ's life and death and we look forward to the celebration of Christ's resurrection on Easter morning. We are reminded that God's love is great and that faith is a gift from God - and a blessing to share.

Let your light shine!

Pastor Pam

# DINNER CHURCH

## WHAT: DINNER CHURCH - SOUP SUPPER AND WILDFIRE LENTEN WORSHIP

**When: March 4, 11, 18, 25, April 1 Wednesday Nights 6 p.m.**

**Where: Faith-Lilac Way Fellowship Hall**

We are doing an experiment of combining our Lenten Soup Supper with a new Wildfire Lenten Worship in the Fellowship Hall in a new "Dinner Church!" Our goal is to create a relaxed atmosphere - but still provide a time for worship, song, communion and a message of God's love for us and our response in faith and action. Those who don't want to go out after dark will have an earlier worship/ meal time. Families with young children will find a more relaxed atmosphere. And we will feature **Extraordinary Stories of Faith and Action from the Bible that you don't usually hear.**

Our worship will explore Bible stories that you may not have heard of before - but each one is an extraordinary story of faith and action. We will welcome back Deacon Kirsten from First Lutheran and Pastor Mark Vinge and Pastor Gretchen Rode from House of Hope as guest preachers. They, along with Vicar Becca and Pastor Pam, will preach on one of the stories listed below. The clergy will move between churches. The stories we have chosen might be Bible characters that you haven't heard much about before. But, they are all ordinary people who make a difference for their community - because of their faith. They could be considered the "community organizers" of their day.

### March 4: Abigail with Pastor Pam

In 1 Samuel, Abigail's clever resourcefulness transforms a dangerous situation into a happy ending. How does Abigail use resources to address a person with a lot of power? What does Abigail's story teach us about responding in faith rather than fear?

### March 11: Daughters of Zelophehad with Pastor Gretchen

In the book of Numbers, the Daughters of Zelophehad dare to question the system that would exclude them. The daughters of Zelophehad show us the importance of questioning the system. How does their story empower us?

### March 18: Esther with Pastor Mark

In the book of Esther, Queen Esther risks her own life to address the King and represent her people, the Jews, to stop their persecution. What does Esther's story teach us about courage and advocacy? How does Esther show us the importance of stepping into our own power for the sake of ourselves and others? How is faith proclaimed?

### March 25: Lydia with Deacon Kirsten

In the book of Acts, Lydia leads a small community of worshippers and is baptized with the whole community. What does Lydia's story teach us about building community? How is the Good News proclaimed?

### April 1: Mary Magdalene with Vicar Becca

In the Gospel of Luke, Mary Magdalene is cured of 7 spirits by Jesus, she then becomes one of his most dedicated disciples. Mary shows us the importance of owning and using your own story. How does her story proclaim Christ? What does her story teach us?

As Wildfire churches prepare to launch a shared Faith-based Community Organizer, perhaps you have questions about what faith-based organizing is or why we as churches would want to work with a faith-based community organizer. As we explore the stories of these women in the Bible - stories that are not often told - we will also notice how these ordinary women exhibit the traits of faith-based community organizers. This series is based on stories and principles identified by Rev. Susan L Engh in her book, *A Women's Work; The Transformational Power of Faith-Based Community Organizing*.

## EQUIPPING PARENTS: NAVIGATING TOUGH TERRAIN

Equipping Parents is a new initiative at Holy Nativity Lutheran Church, aimed at helping parents navigate the ups and downs of raising children in today's world. We are committed to bringing in experts to talk about topics of interest to parents at no charge. Childcare is provided, and no matter what age your children are or what your parenting style is or who constitutes your family, you are welcome here. We firmly believe that the church is called to help in the work of raising thoughtful, grounded children. We know

parenting is hard, and hope to create a space where we can learn from one another and empower each other in this important work.

## RAISING CHILDREN IN A POLARIZED WORLD

**Monday, April 20 6:30 - 8:30 p.m.**

### Recognizing the Early Warning Signs of Mental Illness in Children and Adolescents

Today's toxic political divisions are the most severe since the Civil War. Many parents, conservative and liberal alike, are feeling anxious, stressed, and angry with people on the other political side. These negative emotions can easily spill onto children who look to parents as anchors in a troubled time. How can parents be intentional and values-based while raising children in this polarized political environment? How can we discern what is helpful-and not helpful - to say in our children's presence about those political "others?" How can we engage our children in conversations about public issues in ways that are sensitive to their developmental levels?

**This interactive presentation will offer a needed perspective on parenting in a turbulent time, along with practical strategies for protecting and engaging children.**

Our presenter will be Bill Doherty, PhD, a Professor of Family Social Science at the University of Minnesota. He is also the co-founder of Better Angels, an organization committed to uniting red and blue Americans.

## THANK YOU

Dear FLW,

Sincere thanks for your recent gift of \$330 to the Northwest Suburban Dinner At Your Door program. As you know, we are a non-profit organization and rely on donations such as yours so we can continue to provide hot meals to shut-ins or people unable to cook for themselves.

Sincerely, Dinner At Your Door

The Hennepin County Horticultural Society-Garden Club members donated \$163.00 and toys to NEAR food shelf at their annual Christmas potluck in December. We thank them for their generous support of this ministry.

Dear FLW,

Thank you for your gift of \$1,632.00 to Lutheran Disaster Response. With your spirit-filled generosity you bring help and hope to families and communities reeling from disasters here in the United States and around the world. Thank you for sharing the gifts God has activated in you!

In Christ, ELCA

## MARCH MISSION OF THE MONTH: NEAR FOOD SHELF

Once again, March is Food Share month. Our church, along with nine additional churches in our area will be asking for food, money and prayers for the March campaign.

NEAR serves approximately 325 registered families per month and over 100 emergency walk-in clients. This totals over 1,000 individuals served monthly.

We depend completely on the generosity of our churches, community, and businesses to fund the operation of the food shelf.

This past year, we distributed additional food boxes at Easter, Thanksgiving and Christmas adding to over 500,000 pounds of food given in 2019.

Near also gave out school supplies to over 300 students, and donated toys at Christmas to over 200 families and 700 children.

Other ways you can support NEAR include attending the Empty Bowls Fundraiser on **Tuesday, March 17 at 4—7 p.m.** at Robbinsdale Cooper High School and donating clean paper grocery bags that NEAR uses for distribution. (You may leave bags in FLW's entryway donation box.)

We ask that you prayerfully consider donating whatever you are able again this March to help continue this long tradition. Thank you.
